INTRODUCTION

The IREM Indy chapter values education and ethics, and has a fiduciary responsibility to manage its scholarship funds wisely and to make disbursements prudently. Scholarships shall be treated as investments that further the property management profession and benefit the chapter. Scholarship outlays are not educational expenses and they are not charity.

The chapter's intent by awarding scholarships is to recognize those persons who have the most potential to become leaders in the profession, to encourage those persons who are most likely to obtain their designation in a timely manner, and to support those persons who are active in the chapter and will continue to benefit the chapter by their participation.

The scholarship program is intended to be a conduit for developing candidates, and its purpose is not to be a recruiting tool. The chapter desires to honor and celebrate the scholarship recipients.

IREM Indy Chapter #24 offers two scholarship programs to its stakeholders. The first is the annual IREM Indy Sally Lentz-Crouse Scholarship which provides paid registration to the IREM National Fall Conference along with an allowance to defray associated costs. Its purpose is to promote and reward member participation at the IREM Indy chapter level.

The second program is the Mollie Wood Member Education Scholarships. This scholarship semi-annually provides an allowance to a deserving member to attend any IREM certification education course of their choosing and location. Its purpose is to promote and reward member participation and designation attainment at the IREM Indy chapter level.

PURPOSE

IREM INDY SALLY LENTZ-CROUSE SCHOLARSHIP

The Sally Lentz-Crouse Scholarship was developed in honor of one of our most devoted members and Past-Presidents, Sally Lentz-Crouse of Pedcor Management. Sally was a long standing member of IREM Indianapolis and was generous in her time, participation and support of our organization. This scholarship fund was developed to help promote and reward member dedication and participation on our local chapter level.

MOLLIE WOOD MEMBER EDUCATION SCHOLARSHIPS

The Mollie Wood Member Education Scholarship is named after a longtime supporter and advocate for IREM Education. Mollie was a Chapter President, active IREM Indianapolis member and an IREM educator using her passion and skills to touch countless IREM Students. The purpose of the Mollie Wood Member Education Scholarship program is to recognize those persons who have the most potential to become leaders in the profession, to encourage those persons to obtain their designation in a timely manner, and to support those persons who are active in the chapter and will continue to benefit the chapter by their participation.

ADMINISTRATION AND AUTHORITY TO CONFER

The IREM Indy Chapter Vice President is assigned the responsibility to oversee all scholarship programs. The Vice President will review scholarship applications on a program by program basis and make recommendations to the Executive Council for final selection. The Executive Council will have the authority to select the recipients, as recommended by the Vice President, according to each individual program's purpose and guidelines and budget. Applications are evaluated and scholarships are awarded as decided by the Executive Council based on the availability of funds and eligibility of the applicants.
