

# Racing for a Cause

featuring Allison Melangton

*Benefitting Bethany Christian Services*

**Allison Melangton**

Senior Vice President  
Hulman Motorsports

## What's May in Indy without racing?

Join us for a multi-purpose meeting and some fun! We've teamed up with Allison Melangton, Senior VP of Hulman Motorsports, and Bethany Christian Services for a fun-filled afternoon.

First we'll hear about Bethany Christian Services' mission to help children in foster care and through the adoption process. Next, we'll hear from Allison about the latest activities at the Indianapolis Motor Speedway, the town, and the vision Penske has for the future of the track.

After the presentation we'll move into some racing fun with karting track time, appetizers, drinks, and networking!

Price includes speakers, karting, appetizers and 2 drink tickets. We will also have chances to win great raffle prizes, all supporting a wonderful local charity; Bethany Christian Services!
